Sir:

Applicants provide herewith summaries of the first seven of the above-listed Japanese patent documents, JP 6177449; JP 5344755; JP 5003683; JP 4351200; JP 4309273; JP 2136245; and JP 2058280. The summaries were obtained from a website associated with the European Patent Office, <http://ep.espacenet.com>. Please consider the summaries as the knowledge Applicants possess regarding the relevance of the documents submitted.

This Information Disclosure Statement is being filed more than three months after the U.S. filing date and after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Action or Notice of Allowance.

By submitting these references, Applicant does not admit that the references are prior art to or material to this application, and reserves the right to establish that any reference is not prior art. Applicant does not represent that the references have been reviewed in detail; there may be details in the references of which Applicant is unaware.
